

The OHSU Foundation Cards for Kids program accepts artwork year-round. Artwork submission is open to all current and former OHSU Doernbecher Children’s Hospital pediatric patients, their family members, friends and professional artists. Artists who are patients or have been patients must have received treatment as an inpatient or outpatient at Doernbecher, any OHSU pediatric specialty clinic, the CDRC or the Casey Eye Institute. Original artwork pieces will be selected and turned into a holiday or general themed greeting card. The OHSU Foundation will sell the cards to the public in an effort to raise money for OHSU Doernbecher Children’s Hospital. Please note, we can’t guarantee each submission will be used in the Cards for Kids program.

By completing this form and submitting your artwork, you are releasing its use to the Doernbecher Foundation.

Entries can be hand-delivered or mailed to:
